# The Daily Gazetteer.

NUMB. 3246

FRIDAY, JULY 27, 1744.

*Gaeta, July 7.*

THE Queen advances happily in her Pregnancy, and every Day ſome or other Ladies of Quality arrive here, in order to attend her Majeſty in her Lying-in. Many People are of Opinion, that his Majeſty will come hither, and leave the Command of the Army to the Count de Gages. The Regency are exceedingly embarraſs'd, and we are prodigiouſly apprehenſive of the Arrival of an Engliſh Squadron on the Coaſt.

*Ratisbon, July 20.* We learn from Landſhut, and other Parts of Bavaria, that ſeveral Bodies of Croats and Panduurs are marching to join the Army of Prince Charles, with ſuch Exigencies, that they halt only one Day in four, and ſometimes only one in five. We likewiſe hear from Amberg, in the Upper Palatinate, that there are arrived in that Neighbourhood ſome Corps of Irregular Troops, the proper Names of which are not yet known. They are of a prodigious Size, carry a Javelin in their Hands, a Bow and Quiver ſlung at their Backs, a very large Sword and two Caſes of Piſtols in their Belts. It is reported, that 6000 Hunacks, from Moravia, are likewiſe on their March hither, and that they will arrive here next Week, in their Way to the Rhine.

*Manheim, July 22.* The adjacent Country is expoſed to great Inconveniencies by the Marches and Counter-marches of both Armies. We have, for ſome Days paſt, ſeen almoſt every Day, the Bodies of Croats and Huſſars floating down the Rhine. Not long ago one of our Fiſhermen had the Curioſity to throw his Net after a Body, and upon drawing it on Shore, he found twenty Ducats, and ſome Pieces of Gold; the News of which, has put all our Fiſhermen upon following his Example. A Rumour prevails here of late, that M. Coigny is remov'd from the Command of the French Army, and that M. Belleiſle is to ſucceed him; but among the beſt Sort of People this is treated with Contempt.

*Strasbourg, July 18.* The Army of the M. de Coigny remains ſtill in its old Quarters, as do the Auſtrians. A Body of between 8 and 10,000 Men, who are expected from the Upper Palatinate, will march into the Briſgau, in order to join the Gariſon of Fribourg, which conſiſts of between 3 and 4000 Men. Theſe Troops, after their Junction, will be employed in making a powerful Diverſion in Upper Alſace. M. Coigny having Intelligence of this, has ſent ſeveral Detachments of Horſe and Foot to reinforce the Count de Clermont-Gallerande, who commands in that Part of the Country, making 20 Battalions, and as many Squadrons. As the Auſtrians have lately ſet fire to, and burnt ſeven Villages in the Lower Alſace, four of which belong to the Cardinal de Rohan, and three to the Duke de Chatillon, M. Coigny has given Prince Charles of Lorrain to underſtand, that if they continue ſuch Sort of Exceſſes, the Compliment ſhall be return'd in the Low Countries.

*Paris, July 30.* The King has named the Count de St. Severin, who was formerly Ambaſſador at the Court of Sweden, to go Miniſter Plenipotentiary to the Court of Moſcow. The Counteſs of Toloufe is gone to Laon, in order to ſee her Brother, M. Noailles, and her Son, the Duke de Penthievire, as they paſs through there, in their March to Alſace. The Admiralty have ordered the four Dutch Ships that were lately taken, to be reſtored, and have condemn'd the Owners of the Privateer concerned in taking them, to pay whatever Expences the Dutch Merchants have been at, on Account of this Action. We have an Account, by an Expreſs that arrived this Morning, of an Action that has happened on the Frontiers of Piedmont; in which it is ſaid, that we have the Advantage; but that it has coſt us four or 5000 Men.

## *HOME PORTS.*

*Dover, July 25,* Wind S. W. Came in the Charming Sally, Paddy, for Lyme; and the James and Mary Tender, Williams, for Penzance, both from London. Sailed the Providence, Smithſon, for Oſtend, and the Friendſhip, Wright, from Sunderland, for a Market.

*Deal, July 25.* Wind E. by S. Came down his Majeſty's Ships Dover and Lenox, the John, Inches, for Boſton, the Wiltſhire, Dunford, for Portſmouth, and remains the Wincheſter Man of War, and Outward-bound Ships, as per laſt. Arriv'd the Sarah, Clark, from Boſton; the John, Holme, from Carolina, laſt from Portſmouth; the Portland, Ruſſel, and the Thomas and Rebecca, Ellery, for ditto; and the Stephen and James, Webb, from Southampton to Newcaſtle.

*Graveſend July 25.* Paſs'd by the Lady Mary, Barns, from Amſterdam.

Arrived

At Scilly, the William and Mary, Nickols, from Jamaica.

## LONDON.

His Serene Highneſs the Elector of Poland is gone to make a Tour to Hildeſheim, Hanover, and Hamburgh; which occaſions much Speculation.

They write from Berlin of the 25th Inſtant, N. S. that Count Teſſin, the Swediſh Ambaſſador, had his Audience of Leave that Day, and was to ſet out the next, for Stockholm.

Private Letters from Paris ſay, that they are in the utmoſt Pain about the preſent Diſpoſition of the Court of Pruſſia, a Rumour being ſpread, as if his Pruſſian Majeſty intended to renew his Claim to Part of Alſace; which may have very bad Effects, conſidering the preſent critical Conjuncture.

The Salamander Privateer, Capt. Strangways has taken, and ſent into Portſmouth the Poſtillion, of Bourdeaux, laden with Oak Plank, and Naval Stores.

His Majeſty's Ship the Edinburgh, now lying at Black Stakes, the Hon. Fitzroy Henry Lee, Eſq; Commander, is ordered to be mann'd and victual'd with all Expedition, in order for Channel Service.

On Tueſday died, at his Houſe at Hackney, Mr. Wilkinſon, formerly an eminent Attorney at Law.

The ſame Day died, at her Seat at Walthamſtow, Mrs. Murry, Relict of —— Murry, Eſq; of the Nine Elms in the County of Surry.

The Governor and Council of Virginia having appointed Commiſſioners to treat with the Indians of the Six Nations, they ſet out the middle of May for New Town, near Philadelphia, there to renew the Treaty with them; or as the Indians term it, to brighten their Chain. 'Tis now about 30 Years ſince there has been any ſuch Meeting.

Yeſterday Mr. Joſhua Waterhouſe was choſen Beadle of Cordwainers Ward, by a conſiderable Majority, in the room of Mr. Thomas Saunders, deceas'd.

The ſame Day, on a Poll for Beadle of Vintry Ward, in the room of Mr. Reeve, deceas'd, Mr. John Negus (who was a Candidate for Bridgemaſter) had a Majority of Five; but a Scrutiny was demanded.

The Right Hon. the Lord Chancellor has preſented the Rev. Mr. John Wakelin to the Vicarage of Yaxley, in the County of Huntingdon.

A Grant has paſſed the Great Seal to William Radley, Salt Maker, for his new invented Method of making Salt by Furnaces.

On Friday laſt a young Man, Apprentice to a Fiſhmonger at Hungerford, was unfortunately drown'd, as he was waſhing himſelf in the Thames.

His Body was taken up Yeſterday, and put into the Bonehouſe in St. Margaret's Church Yard, Weſtminſter.

Yeſterday his Royal Highneſs the Prince of Wales, with ſeveral Perſons of Diſtinction, went in his Highneſs's Barge to Deptford, and took a View of the Yard, and the Ships building there.

There are brought from Flanders, and now lying on board a Sloop at Tower Wharf, upward of 100 young Children of the Soldiers kill'd in the late Battle at Dettingen, and but three Women with them. We hear, that they are to be put into the Foundling Hoſpital.

(Price One Shilling and Sixpence)

THE COMPLAINT, or NIGHT-THOUGHTS.

NIGHT the Seventh.

Being the Second PART of the INFIDEL Reclaimed; containing the Nature, Proof, and Importance of IMMORTALITY.

Printed for G. Hawkins, at Milton's Head, between the Two Temple Gates, Fleetſtreet, near Temple-Bar; and Sold by M. Cooper, at the Globe in Paternoſter Row.

Admiralty-Office, July 24, 1744.

THE *Leave of Abſence given to the Petty-Officers and Foremaſtmen, late belonging to his Majeſty's Ship the* Fowey, *expiring on the 21ſt Inſtant; and the Lords Commiſſioners of the Admiralty having order'd them to be turned over to his Majeſty's Ship the* Edinburgh, *at the Nore; it is their Lordſhips Direction, that the ſaid Men do repair to that Ship at the Expiration of their Leave; where they will be paid the Remainder of their Wages for the* Fowey, *before the* Edinburgh *proceeds to Sea. But if they fail to repair on board her, when their Leaves is expired, they will not only loſe the aforeſaid Wages, but Directions will be given for apprehending them, in order to their being tried at a Court Martial, as Deſerters, and puniſhed with the utmoſt Severity of the Law.*

Thomas Corbett.

Cuſtom-Houſe, London, July 16, 1744.

For SALE,

By Order of the Hon. the Commiſſioners of His Majeſty's Cuſtoms, &c.

*Where may be had,*

A New Method of preventing and curing the Rabies cauſed by the Bite of a mad Dog.

## The Incomparable POWDER for Cleaning the TEETH,

Has withſtood, by its moſt excellent and known Virtues, the Attempts of many repeated Counterfeits; ſome imitating it by the Name of Powder, others under ſeveral other Names; therefore pray take Notice, that the only true effectual and original Powder, is ſold no where elſe, but as mentioned below: It is ſent for in large Quantities from the Plantations beyond the Seas, where good Allowance is given; and is as effectual in the Eaſt and Weſt Indies as at London.

IT has given ſurprizing Satisfaction to moſt of the Nobility and Gentry in England, ſo many Years laſt paſt, that it hath been publiſhed, and vaſt Quantities of it ſtill continue to be ſold.

It is ſold only at Mrs. Wharton's (was King's) Toyſhop, the Blue-coat-Boy, near the Royal-Exchange in Cornhill, and at Mrs. Markham's Great Toy-ſhop, the Seven Stars now (ſince ſhe is removed) directly over-againſt St. Dunſtan's Church in Fleet-ſtreet, and no where elſe in England at 1 s. each Box.

N. B. Pray mind you ſend to the right Place; for the ſaid Mrs. Markham is removed from, has alſo got the Seven Stars for its Sign.

At once uſing it makes the Teeth as white as Ivory, tho' ever ſo black or yellow before, and effectually preſerves them from rotting or decaying, continuing them ſound to exceeding old Age. It wonderfully cures the Scurvy in the Gums, prevents Rheum or Deſluction, kills the Worms at the Roots of the Teeth, and thereby hinders the Tooth-ach. It admirably faſtens looſe Teeth, being a neat cleanly Medicine, of a pleaſant and grateful Scent, and in Virtue far exceeds any Thing ever yet found out for thoſe Purpoſes.

All the Nobility, Gentry, &c. who ſend to Mrs. Markham for the Powder for Teeth, are deſired to give ſtrict Orders to miſtake the Shop, (MARKHAM at length is over the Seven Stars) becauſe moſt of the Toymen in her Neighbourhood, ſeeing Multitudes go to her Shop for it, have made up Counterfeits and ſell their Stuff in Imitation of this noble and approved Powder, in Prejudice to the Publick, &c.

The LIP-SALVE

Which is ſo much eſteemed, and of ſo many Years long Experience, and whoſe Virtues vaſtly exceed any of the moſt Counterfeits, ſince its firſt Publication, is ſold at the ſame Places at 1 s. each Box.

For in two or three Hours time it heals them, tho' never ſo rough or chopt; prevents the Skin from peeling, and makes them delicately ſoft and ſmooth, giving them a becoming ruddy bicund Colour; the Fragrancy of its Odour alſo renders the Breath fine and ſweet, and it may be eaten for its Sweetneſs.

*LONDON:* Printed for M. COOPER, at the *Globe* in *Pater-Noſter-Row*,
